Our ABC Theme was chosen as we felt that it signifies the keynote of education.

The term "ABC" indicates "Kindergarten Days". The ABC's, that we have used throughout this yearbook, represent our present awareness and realization that we are now in the "elementary" steps towards maturity.

ADMINISTRATION AND BOARD OF EDUCATION

These men are faithful and understanding towards the students and faculty. The school's daily schedule is run smoothly and accurately with their planning.

Finding facilities for the schools larger enrollment is one of the main problems of the Board.

dedication

We, the students of the 1954 journalism class, are dedicating this year's "Comet" to Miss Margaret Gooding, former secretary in our school office.

We are proud to be able to present this to a most deserving and understanding person, with only one regret, her forced leave of absence because of illness.

WEBBER

WEBBER SCHOOL SONG

To Webber School we ever will be true,
May ev'ry heart to the maroon and gold be ever faithful
Long live her fame! Tho' in years we part forever,
Let us to Webber School be always true!

Then while our hearts for thee beat fond and true,
Thru life we'll go with mem'ries clear of the golden days.
While praises we'll sing which will echo thru the ages:
Then for dear Webber make the echoes ring!
